

In the year of the 25th anniversary of LUM

International Conference Dispersion Analysis & Materials Testing 2019

**Berlin, Germany,
May 22-23 2019**

Online registration at <https://conference2019.lum-gmbh.com>
Find out more at www.dispersion-letters.com

First call for papers Scientific Conference

From 22-23 May 2019, LUM GmbH hosts the next International Conference Dispersion Analysis & Materials Testing in Berlin, Germany.

The conference organizer invites all world-wide LUM instrument users to present their strategies and results in the scientific and industrial use of LUMiSizer®, LUMiFuge®, LUMiReader® PSA, LUMiReader® X-Ray and LUMiFrac® in the frame of an oral presentation.

Conference topics include:

Particle & Surface Characterization

- Particle size distribution of nano- and microparticles
- Hansen Dispersibility Parameter / Hansen Solubility Parameter
- Particle density distribution
- Particle surface characterization

Real-time & Accelerated Stability

- Direct accelerated stability testing of dispersions
- Real-time separation in emulsions and suspensions
- Comparative and predictive shelf life for dispersions (ISO/TR 13097)
- Stability testing of cosmetic products (ISO/TR 18811)

Materials Testing

- Tensile testing
- Shear testing
- Characterization of coatings
- Characterization of composite materials
- Mechanical strength

Processing

- Separation of particles in industrial processes
- Characterization of dispersibility and filterability
- Shear and compressive yield stress
- Up- and downstream processing

Further topics related to LUM instrument use very much are welcome. Kindly send your abstract for an oral presentation in English as MS word file by email to event@lum-gmbh.de (download stylesheet: goo.gl/BJY85Q)

Deadline for abstract submission is 15 December 2018. Notification will be given by 31 January 2019. All abstracts will be published on www.dispersion-letters.com.

Presenting authors are granted the conference participation free of charge.

Call for LUM Young Scientist Award 2019

With calling for papers for Young Scientist Award 2019 LUM again broadens its support and commitment in promoting young researchers from universities and academic institutions all across the globe. The submissions of relevant scientific results to the organizing committee of the conference are hereby strongly encouraged.

To qualify, any applicant must meet the following conditions:

- Experimental results that advance the understanding of the general scientific community in the analysis of dispersions/ particles respectively in materials testing were obtained by using LUM instruments (no longer than two years after graduation).
- The scientific significance of the results is met by submitting a peer reviewed publication, a Bachelor, Master or PhD thesis as copy, or, in case of unpublished results, a detailed description of work.
- Applicants provide a two-page abstract and a detailed curriculum vitae, along with a letter of recommendation by the supervisor.

Please download the stylesheet for your abstract at goo.gl/BJY85Q. Kindly submit all documents by email to event@lum-gmbh.de, keyword 'LUMYSA 2019'.

The deadline for LUM Young Scientist Award 2019 applications expires on 15 December 2018.

A jury will nominate three candidates to present their results during the International Conference, including a free registration. The candidates will be announced by **31 January 2019**. Their abstracts will be uploaded to www.Dispersion-Letters.com. The jury will present the laureate in Berlin. She or he will be given the opportunity to submit an article to Dispersion Letters.

The LUM Young Scientist Award 2019 also includes a two night accommodation in Berlin and a prize money of 1,000 Euros.

Registration

Deadline for registration is **May 12, 2019**. Registration by email to event@lum-gmbh.de. The invoice will be sent after registration. Please also turn to the payment page for your preferred payment method. The final confirmation will be sent to you immediately after payment.

Prices

May 22-23, 2019

Two days including evening event:

Registration fee
545.00€*

Early Bird Discount (25%) till January 31 2019:
408.00€*

Cancellation fee after May 12, 2019 100%. A substitute is welcome.
* net per person, VAT not included

Preliminary schedule

The keynote lecture will be given by the renowned head of the Institute of Mechanical Process Engineering of the Friedrich-Alexander-Universität Erlangen-Nürnberg, Prof. Dr. Wolfgang Peukert.

Confirmed lectures:

Experimental Approach for Determination of Hansen Dispersibility Parameter (HDP) of Nano/Micro particles by means of Sedimentation Techniques, *Shin-ichi Takeda, Takeda Colloid Techno-Consulting Co. Ltd., Japan*
Accelerated galenic stability measurement of cosmetic formulations, *Dr. Richard Lehmann Bio-Chemisches Laboratorium Dr. Lehmann GmbH & Co. KG, Germany*
Incorporation of centrifugal and particle-particle DLVO forces into simulations of dispersion sedimentation and validation with LUMiSizer data, *Dr. Timothy Hunter, Chemical & Nuclear Engineering School of Chemical & Process Engineering University of Leeds, UK*
In-field stability of ferrofluids for the magnetic density separation of plastic waste, *Dr. Ben Ern , Van 't Hoff lab for Physical and Colloid Chem., Debye Inst. for Nanomater, Netherlands*
Microcontact Printing of Patchy Silica Particles using the LUMiFrac, *Marc Zimmermann, Fraunhofer-Institut f r Angewandte Polymerforschung, Germany*
Title forthcoming, *Steve Armes, Department of Chemistry, University of Sheffield, UK*

Preliminary Schedule:

Wednesday 22 May 2019

09:00 Get together & Registration

10:00 Conference Opening

Keynote lecture

Conference sessions (details coming soon!)

Social event in the evening

Thursday 23 May 2019

Conference sessions (details coming soon!)

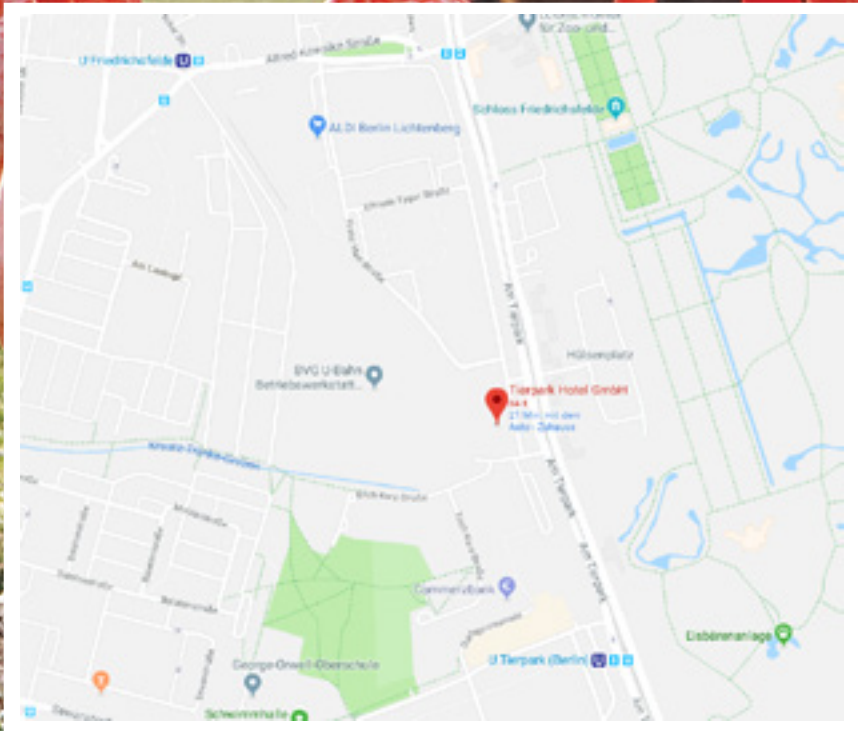

Conference location:

ABACUS Tierpark Hotel

opposite Berlin's famous Tierpark Friedrichsfelde

Conference location

The conference is located at
ABACUS Tierpark Hotel Berlin
Franz-Mett-Straße 3 -9
10319 Berlin
<https://abacus-hotel.de/>

Air

- Berlin Schönefeld Airport (SXF) 52 minutes by public transport (S-Bahn/bus)
- Berlin-Tegel (TXL) 55 minutes by public transport (S-Bahn/bus)

Public Transport

- S-Bahn S9, S8 and U5 from Schönefeld
- Bus TXL, S41, U5 from Tegel
